Please provide a brief testimonial on behalf of Magnum Inspections Inc. (optional):

Eric lived up to all of my expectations. I read some reviews online about him and decided that he would be a great inspector. As luck would have it, he lived in our future neighborhood and had a lot of inside details about the overall neighborhood. He had useful advice about the life expectancy of everything in the home and our inspection report was comprehensive. I definitely won't need any Holmes Inspections because Eric is South Florida's Mike Holmes!
