Please provide a brief testimonial on behalf of Magnum Inspections Inc. (optional):

I felt that Eric was extremely professional in every respect. He explained step by step, and in an easy to understand way of his findings and recommendations. The inspection was thorough & meticulous; this gave me the peace of mind knowing that every aspect of the house would be examined; this confidence removed any concerns of something being overlooked. I felt the inspection and the report were very good value for money. Purchasing a house is a stressful experience but I certainly feel a lot more relaxed now knowing what repairs are required. Eric did identify a couple of very serious defects in a couple of areas in our home so I am thankful to have been referred to Magnum and will be happy to refer them to any one requiring their services in the future,
